Quantum MAGIC SCHOOL

Testimonial:

I have no words to describe the incredible journey and all the tools, skills, understanding, and life-changing experiences I learned during these 6 months at Magic School!

I remember, before even hearing about Gaby Kowalski I was walking in my beloved forest when I realized that I was, throughout my life, afraid: of not doing the right thing, of not being clever enough, of wasting my life... this feeling has been with me since I remember, and I could not get rid of it, however hard I tried...

A few days before the telephone talk with Gaby, I dreamt that I inherited a beautiful ancient castle with my husband.

I was so excited and amazed. I walked up to an open area at the highest court level for a better view. And there, I found three giant eagles chained to the walls. I tried to release them, but I couldn't. I couldn't remove the chains! I was devastated!

After starting Magic School, I saw these eagles from my dream flying freely during the Light Language Activation. They were happy and mighty!

And I understood; they showed me that I am now FREE to follow my soul's calling. I was now ready to be who I am!!!!

And indeed, that deep fear I mentioned before was gone.

I am grateful to Gaby and her fantastic team for all the learning. I am thankful for a beautiful Avalonian journey where we all sat around a round table as a true community of light, not as teachers and students. I learned just as much from all the great colleagues on this journey and made deep friendships that I know I will cherish for the rest of my life.....

Quantum MAGIC SCHOOL

.....I can now build my soul-aligned reality, and co-create with my powerful team of Angels, Light Beings, Councils of Light, and so much more.

I connect with my soul and step into my soul mission with ease and grace. I have no fear, no doubt, just the crystal clear knowing that I am getting closer and closer to achieving it. And I enjoy the journey immensely.

Thank you so much, dear Gaby, and thank you, beautiful team!

Beautiful mission soul, listen if your soul is calling you to this course.

Magic School will open for you the doors to the wonderful and fulfilling life you came to live on this beautiful planet.

And will give you all you need - to get on your soul's path and follow it until you reach your goal.

It certainly did so for me.

Sending you all my love,
Melinda

Magic School is the ultimate 'level up' of your spiritual growth and healing ability.

I have been on huge mission from a very young age to heal, expand and grow. So I thought I new some things and then along come Gaby and her team and blew my cosmic socks completely off.

Gaby is leading the pack in every way in her spiritual development and teaching ability.

She is such a breath of fresh air and her smile and laugh are super addictive not to mention she keeps you super engaged and is an absolute wealth of information.

It was such an honor to be a part of this ground breaking spiritual university (on crack)!! Trust me, you get everything you could possibly want or need and more with this course.

Gaby is the person that just keeps on giving and giving. I'm so incredibly grateful for the massive library of videos and resources that we have access for..... for life!!

I have noticed an overwhelming calmness and certainty in my life after this course.

And excited to be such an important part of Gaby's mission of light and the impact I will have on the earth collective.

This is one of those 'must do' courses. Super big thanks to Gaby and team of rockstars. Appreciate you all so much.

Quantum MAGIC SCHOOL

This course introduced me to the quantum world.

Magic School was just amazing. We had the opportunity to learn from different “professors” as well,

From light language, to trans channeling to nervous system regulations to quantum coaching,

All of them left a remarkable print on my heart and soul.

From being scared of even trying to talk in front of other people to be interacting and feeling extremely comfortable sharing the amazing experiences that I felt during activations,

also I was pregnant for the whole course, few activations were for my baby at the time and not for me yet.. that was pretty amazing!

Magic school gives you all the tools to learn how to become a quantum healer and that was the greatest part of it, I feel the most amazing energy when I get to use my learnings, things are starting to flow from me and my confidence comes out, that is definitely the best part!

We had an amazing group of souls and I made some amazing friendships out of it, when people are on the same level spiritually, it's pretty special.

Gaby is the most loving person, extremely easy to understand and to follow, she manages to keep your attention with her bubbly personality. Extremely knowledgeable and the quantum queen!!! I absolutely recommend this course!
