

Our planet is expanding, evolving and Ascending, and so are we...

As Ascending, Missioned Souls, our businesses and offerings are a living consciousness that is connected to us, and ascends with us.

So having a business for Ascending, Missioned Souls is not the same as for those in 3D realities and timelines ..

Our Businesses are no longer businesses, as they have ascended into Mission Empires of Light, and they continue evolving and changing rapidly, as we do in our ascension.

The New Earth Mission Collective is for those that have a deep devotion for their Evolution, Ascension and Soul Destiny Mission on Gaia and beyond.

In This Powerful Co-Created Temple with Councils of Light, Benevolent Dragons, Ascended Masters, The Celestial and Golden Realms, and my 12D Soul Family, You Shall Activate More of Your Soul & Soul/Star Family Codes into a Quantum Empire of Light infrastructure that upgrades the grids of our planet, stabilising the Higher Realm realities for humanity and all living consciousness to anchor into the New Earth.

This shall take you on a powerful journey of Leadership and Creation, to build and grow a sovereign, abundant, multidimensional Soul Mission Empire of Light.

### Testimonial:

"Before working with Gaby Kowalski, I was really struggling to ground my vision, to ground my mission and to scale it.

I knew what I wanted, I was ready to live from my spiritual offerings and scale my abundance through a six figure and seven figure business.

I had already studied about business, I already had an online course and knew that I was here for a big mission.

I wanted to find something deep that would be there for a couple of months or a year so I could actually have an anchor in my life that would continuously give me feedback on how I could improve, not only my business but also my inner world, who would call me into looking within.

When I started working with Gaby everything started shifting very, very fast.

To be honest, it was a stretch for me. I had to invest money on this scale for the

very first time but I knew that this fear was a portal, I could just feel it.

I knew it in every cell of my being. It was like, just go for it. And I have never, ever regretted it for one single minute.

As soon as I signed up for Gaby's New Earth Mission Collective program, I started feeling her literally holding me in her field.

Her trust, her vision, her confidence in me, was already giving me the reassurance I needed to start making shifts in my business.

We went from mastering all the tech and basics of 3D marketing to learning how to create an awesome 4D and 5D marketing platform.

We went deep within the quantum and worked with advanced star races and quantum technologies to be able to amplify our vortex and to connect at a higher level. This is totally my dice. I'm a quantum teacher after all.

To give you some comparison about before and after, before I was doing about 30K a year selling my online courses and working as a psychic healer.

Now, ten months after working with Gaby, I'm happy to say that I have earned slightly under 250K already.

And I wouldn't be surprised if I would hit 300K to 350K in one year, after starting working with her.....

#### Testimonial Continued:

"I could feel that this type of growth was a possibility because I could feel it in my field, but as a human, actually seeing this progress in such a short time is absolutely mind blowing and so very exciting.

My brand is now completely shifted.

I feel the empowerment and the codes of building my empire and there is so much joy and ease in doing that.

I can not recommend her 5D Business School more. It's just absolutely fantastic.

If you feel the school calling you, just go for it. Like always, growth resides beyond our fears.

Humanity needs you to shine unapologetically and with Gaby, that's going to happen hugely

Thank you very much Gaby for everything that you have done for me."
